The location of the home is in the sought after neighborhood of Section K in Playa Guiones only a 3 to 5 minute walk to the beach. The entrance has a completely private gated space for two cars in the driveway and an incredibly large backyard area for entertaining. The home has one of the largest bedrooms in the market and a spacious master bath and closet area.As a huge bonus, the property has a large one bedroom home separated by the pool area to create it's own private hideaway. The home has been landscaped completely with tall mature palms and native jungle foliage to ensure the most lush garden year round and the home has a complete water reuse system to sustainably water the property year round without impacting local water supply.
